

2018 Got a Spine Scholarship Winner

Ashlyn Braley is from Buffalo, Wyoming and graduated from Buffalo High School. She will be attending the College of Human Environmental Science department at the University of Alabama starting in August.

MESSAGE FROM RECIPIENT:

"I am honored to be the recipient of the Got a Spine Scholarship! Your generous support is helping me to fulfill a lifelong dream of going to college. I recently graduated Summa Cum Laude from Buffalo High School in Buffalo, WY on May 20, 2018.

My parents have worked very hard to make ends meet and this has made me realize the value of a college education and to never take a single dollar for granted. They have encouraged me to work hard for my dreams. It is so wonderful to see the hard work pay off. I have chosen the university with the greatest scholarship and best opportunity for my future.

I look forward to attending the University of Alabama in August. I know it will be both challenging and exciting. It seems academically I am off to a great start. I am well on my way with the accelerated Bachelor/Master's program with the College of Human Environmental Science department at the University of Alabama with a focus on event and hospitality management.

Thanks to your generosity, my dream is now within my reach."
