

2020 Got a Spine Scholarship Winner

Anaya Mark is from Decatur, Georgia and graduated from Arabia Mountain High School. She is attending the University of Georgia in the Fall to pursue Communication Sciences and Disorders (Speech Pathology).

Message from Recipient: "Thank you so much for your consideration in choosing me as the winner for this scholarship award. I am so grateful to have this opportunity. This scholarship award is bringing me one step closer to being prepared for school in the fall. This year, I have worked towards gathering a savings account that I will put towards my ever growing university costs. I am so excited to be given this award as it will be added to those savings and allotted towards my housing and/or textbook expenses for this upcoming semester. These funds will assist me in accomplishing my dreams of becoming a Speech Pathologist, by helping me pay for my initial undergraduate education. Again, I would just like to thank you for granting me with this award and for supporting my aspirations!"
